MAIN TOPICS: medical and human genetics; plant genetics; bacterial genetics; molecular cloning and synthetic biology; genomics and proteomics; molecular markers and systematics and other related fields.

OFFICIAL LANGUAGES

The official languages of the seminar are English and Bulgarian, however the participants are encouraged to use English for their oral and/or poster presentations because simultaneous translations will not be available.

REGISTRATION

For more information and registration you can visit the webpage https://www.uni-sofia.bg/index.php/bul/universitet/fakulteti/biologicheski/fakultet2/novini/second_young_scientists_seminar_on_genetics_with_international_participation_sgip_2018 or simply scan the QR code with your hand device. You can also follow updates on twitter: <https://twitter.com/SGIP2018>.

IMPORTANT DATES:

Registrations: July 2, 2018 – September 16, 2018

Payments: August 6, 2018 – September 16, 2018

Final deadline for materials submission for publication: October 5, 2018

PUBLICATION OF THE MATERIALS

Full text publication of the presented materials is not obligatory, however if the authors wish to publish them as a full text, an opportunity is provided for publication in the journal "Genetics and Plant Physiology" after being reviewed by the journal's Editorial board. Please, check the Journal's requirements for the preparation of the publication (you will find a link in the webpage of the SGIP2018). All materials should be sent to the organizers at the email address sub_genetics@abv.bg. Authors bear full responsibility of the content of their publications. Full text materials for publication will be accepted only in English.

CERTIFICATES

Certificates for attendance will be provided for all registered participants accordingly to the type of their registration (if there are several authors in one presentation, all the names will be included within the certificate but only one paper copy will be issued).

PARTICIPATION FEES

Regular participation covering attendance and one oral or poster presentation, as well participation in the workshops: 20 EUR (40 BGN)
Regular participation covering attendance and one oral or poster presentation without participation in the workshops: 15 EUR (30 BGN)
Attendance only without presentation and without participation in the workshops: 8 EUR (15 BGN) or free for MSc and BSc students in Biology and Medicine, as well for students in related fields (copy of the proof must be provided scanned with the registration!)
Attendance with participation in the workshops: 15 EUR (30 BGN)
The registration fees cover the participation in the SGIP 2018 accordingly to the type of the registration, an electronic copy of the Book of abstracts and other conference materials, as well attendance to the coffee breaks.

ORGANIZATION AND SCIENTIFIC COMMITTEE:

Honorary chairmen:
