

Advisory Intern

Are you interested in a unique opportunity to start your career within EY Bulgaria? Then you should join our successful team. Our consultants have a broad expertise across many different industries and customers and our business is rapidly growing.

We are now looking for Advisory Interns to join us in February 2019.

As an Advisory Intern you will assist our professionals in performing client service activities. You will grow quickly with challenging and stimulating assignments.

Your key responsibilities:

- Assist in the execution of advisory projects. Perform various duties such as understanding routine data processes and performing advisory procedures. Analyze evidence, prepare written communications, participate in one-on-one and small group discussions with other engagement team members, and interact with client personnel.
- Demonstrate professionalism and competence in the client's environment. Maintain a strong client focus, be responsive to client requests, and develop/maintain productive working relationships with client personnel.
- Demonstrate teamwork, integrity, and accountability. Assist and collaborate with team members. Contribute ideas/opinions to teams and listen/respond to other views.
- Use technology to continually learn, share knowledge with team members, and enhance service delivery.
- Seek, develop, and present ideas to apply EY's services

To qualify for the role, you should:

- Be a student in your 4th year in university, who is pursuing career in accounting, finance, economics, or a related field

You must also have:

- Strong written and verbal communication skills in both Bulgarian and English language
- Basic Accounting knowledge is a must
- Strong analytical, teamwork and organizational skills
- Integrity, maturity, dependability, a positive attitude and enthusiasm in the performance of responsibilities
- PC proficiency, including proficiency in spreadsheet, word processing, and presentation software applications

What we offer to you is:

- Inspiring and meaningful projects
- You will be able to control your own development with an individual progression plan.
- Excellent conditions in a stimulating and enjoyable working environment. You will for sure find your new best friends at EY. Our colleagues are not only great professionals but also great people
