About us

In Statu Nascendi is a new peer-reviewed journal that aspires to be a world-class scholarly platform encompassing original academic research dedicated to the circle of Political Philosophy, Cultural Studies, Theory of International Relations, Foreign Policy, and the political Decision-making process. The journal investigates specific issues through a socio-cultural, philosophical, and anthropological approach to raise a new type of civic awareness about the complexity of the contemporary crisis, instability, and warfare situations, where the “stage-of-becoming” plays a vital role.

As of 31 August 2018, **In Statu Nascendi** has been formally registered as a **Non-Profit Organization/Association** in Bulgaria and respectively in the entire European Union. Our Търговски регистър (local Trade Register) number is **205254346**.
