

KPMG Internship Programme

Fast-paced, fun and rewarding. Up for the challenge?

Through KPMG's Internship Programme you will discover what it is like to be part of a professional team, learn new business skills, build your own network and get an insider's view of the opportunities available in one of the world's leading professional services firms.

You can carry out an internship in the following business lines at KPMG:

Audit

It is all about understanding a business inside out in order to determine whether or not its financial reports are accurate and fair.

Tax

It involves working with businesses to help them find the best ways to meet their tax obligations.

Advisory

It is about advising companies on a wide range of business challenges and helping them thrive.

What you bring

- In your final year at university, preferably in Accounting and Control, Finance or another economic-related discipline
- Questioning mind and lots of bright ideas
- Team player with a desire to learn
- Fluency in English and good knowledge of MS Office

What we offer

- Internship period of up to six months starting in October
- An inclusive, diverse and supportive culture
- Opportunity to learn from professionals
- A variety of great experiences in an international environment
- Possibilities for further development with KPMG

Apply online at kpmg.com/bg/careers by **10 September 2016**.

Your application package will be treated with strict confidentiality. Only short listed candidates will be contacted.
