**Moscow Summer School 2017 “Global Challenges”**

This year during August 2017 the Russian Foreign Ministry Diplomatic Academy offers a three week Summer School 2017 “Global Challenges” where students from all around the world meet to take part in an intensive multicultural experience, delve into challenging political topics and discover the unforgettable cultural and recreational opportunities that Russia and its capital city have to offer.

The Summer School Moscow at the Russian Foreign Ministry Diplomatic Academy gives students a great opportunity to expand and develop skills in different fields of International Relations and World Politics. It provides a multi-disciplinary and inclusive approach to the study of complex political issues and challenges that the world is facing today.

The program is challenging, stimulating and of high academic and professional value. The courses are taught by professors of highly regarded faculties of the Academy: “International Relations”, “International Economics” and “World Economics”, supported by meetings with Russian and foreign prominent diplomats, public men, policy makers and the global international community.

***The Summer School Moscow “Global Challenges2017”*** is a multidisciplinary course. It focuses on the global challenges, including the political, economic and security issues that shape and reconfigure the architecture of the international system. Its major goal is the analysis and understanding of the policy and strategic framework that shape geopolitics, economy and international development as well and of the strategy of the major global actors.

***The Academy will hold an International conference*** on one of the burning international global issues. The conference will be supported by the DA Institute of Contemporary International Studies (ICIS), the UN Information Centre and CTBTO. The conference will be interwoven in the summer school process and the students will get ***certificates of participation*** in it.

In addition to the excellent educational opportunities, it offers the chance to discover Russian culture, the city of Moscow and the surrounding countryside as well as to grasp one of the most widely spoken languages in the world the Russian language. The Russian language classes are available for students at all levels.

Upon successful completion, *the program is worth 5 ECTS credits* which may be recognized as part of ongoing studies.

Throughout 3 weeks in the month of August 2017 students may join the School to strengthen their universities' transcripts, to build their career skills or to gain specialized knowledge for their career. They will also benefit from a wide range of social and cultural activities and will make friends from all over the world.

Dates: Arrival 6 August – Departure 26 August 2017
