BIC UNCRBGSF

At the name of SU "ST. KLIMENT OHRIDSKI"

For the Conference of the Sport Department

Paid by: the three names of the participant

The reports of those who didn't pay the fee will be not published.

NEW: All authors participating in the conference are required to register with ORCID.

REPORTING REQUIREMENTS

The materials are sent to the following e-mail: sport_conference_su@abv.bg, or transmitted in paper and electronic format in DOC format, Word 2000 editor or higher.

Suggested articles must be original and unpublished in other publications. (declaration of originality and completeness is completed)

The volume is from 3 to 7 A4 pages, including annotation, tables, graphs, bibliography and author data.

Page setup:

Format: A4, Portrait;

Fields: left, top, bottom and right - 2.0 cm;

Formatting:

Alignment: Alignment Justified; no hyphenation;

Indent (new paragraph of paragraph): First Line Indent - none;

Row spacing: Line spacing - Single;

Paragraph spacing: Don't add space between paragraphs - 0 pt;

Font: Times New Roman; 12 g;

Arrange the report:

Title in Bulgarian: Bold, ALL CAPS;

Author (s): in the following line - author's first and last name, Bold, ALL CAPS;

The title and the names of the authors in English are placed in 2 blank lines of the ALL CAPS surname and first name of the authors, followed by the title.

The abstract in Bulgarian and English in 1 blank line, up to 10 lines;

The Key Words are in the next line Italic, respectively in Bulgarian and English;

Main text: Report structure: introduction (introduction), research methodology, results, conclusions and recommendations, bibliography (used and cited in the text - to be indicated according to BDS, citation in brackets and sources used at the end) sorted alphabetically by first author's surname and corresponding number);

Tables, figures, diagrams, pictures and diagrams (grouped): must be in black and gray and white (not full color), integrated in the text, be numbered and named. They also apply to individual files in JPEG or TIFF format. Paragraph Alignment: Justified tables are written above them and Paragraph Alignment: Centered.

Formulas should be numbered in brackets, aligned to their right.

Authors' Details: At the end of the article are written the three names of the author (authors) with the scientific title and degree, place of employment, telephone, E-mail.

Reviewers:

- Objectively evaluate the scientific value of the manuscript, in which the names of the authors are anonymous.
- The evaluation criteria are:
 - Report structure: Introduction, purpose, tasks, Research methodology and organization, Results, conclusions and recommendations.
 - Do the conclusions of the objective meet?
 - Is there clarity and legibility?
 - Are there any new ideas or important results?
 - Is the report well illustrated?
 - Adequate citation of literary sources (citation not allowed)
- They formulate their assessment on the basis of expertise and do not allow personal criticism.
- Indicate in the form where mistakes have been made and where there are gaps.
- Provide recommendations and examples to edit the manuscript and improve its quality.
- Check that the manuscript is original and authorial.
