The screenshot shows a web browser window with the URL elearn.fcml.uni-sofia.bg/mod/bigbluebuttonbn/view.php?id=232&forceview=1. The page title is "Английски език - I комисия". The main content area displays "Английски език, комисия 1" and a message: "This conference room is ready. You can join the session now." A blue button labeled "Join session" is circled in red. Below it, there is a "Recordings" section with the text "There are no recording to show." A sidebar on the left contains navigation options like "Моето табло", "Начална страница", and "Моите курсове".

The PhD. student must enter by pressing on the microphone (upon initial entry, the browser will ask you to allow the microphone, so allow it) and after passing an echo test, press on the green thumb to contact the commission:

The screenshot shows the BigBlueButton interface. A dialog box is open in the center with the title "Как желаете да се включите?". It contains two options: "Със звук" (represented by a microphone icon) and "Като слушател" (represented by a headset icon). The background shows a chat window on the left and a presentation slide on the right. The presentation slide has the BigBlueButton logo and the text "system designed for online learning".

iii. REQUIREMENTS:

Ph.D. students have to provide a scientific text of up to 150 printed pages of a publication in the field of the student's Ph.D. If the publication is in electronic format (pdf, epub, etc.), the applicants are kindly asked to send the text, they have chosen, in advance. If students use a printed publication, the committee will select an excerpt from the text on the spot. Ph.D. students have to be able to read and translate (or summarize) the selected part of the text and answer questions related to the grammar and vocabulary in the excerpt.

ATTENTION: Each of the doctoral students has to contact the faculty officer in good time before the exam and make sure that their profile works. In certain cases, you will need to enter an active email in which you will receive a link to confirm your account. Only then will you be admitted to the courses. You should complete this procedure not later than 2 hours before the exam in order not to disrupt the established schedule of the exam jury !!!

Should any problems regarding entering the system occur, please, contact Sr. Asst. Simeon Hinkovski, Ph.D., e-mail: hinkovski@uni-sofia.bg, or in phone +359 878-79-26-47.
