

At PwC, the future  
looks a lot like you.

## Junior Tax Technology Consultant

As a junior consultant helping with the development of technology and software solutions in our tax services department you will be actively supporting more senior members of the team in delivering high quality tax services to Bulgarian and multinational companies. You will have the opportunity to learn from more experienced professionals and assist them in delivering client assignments and projects. Being a junior consultant is the first step for a long-term career within PwC.

### You will be expected to:

- Acquire deep knowledge in using software applications like Microsoft Power BI, Microsoft Sharepoint Online, Microsoft Excel, Alteryx, etc.;
- Help develop automation solutions supporting the delivery of tax services to Bulgarian and multinational clients;
- Participate in analyzing tax processes and identifying opportunities for automation through the use of no- or low-code software applications;
- Assisting with the testing of the automation solutions;
- Actively helping with the implementation of the automation solutions in the process of providing high-quality tax services;
- Attend client meetings, teleconferences and presentations;
- Work as part of project teams and directly report to senior consultants and managers.

### What we are looking for:

- University student or recent graduate in Finance, Accounting, Economics, Law or related disciplines with strong interest in using technology and computer literacy.
- Excellent command of written and oral English.
- Excellent communication skills.

### What we offer:

- Professional experience in an international setting.
- Company training and excellent opportunities for professional and career growth.
- A "Coach" and a "Buddy" programme to help you integrate, develop and perform well.
- Challenging and interesting projects.
- Professional, positive and team-oriented working environment.
- Comprehensive employee benefit program including additional medical insurance.
- Food vouchers, sport card, fringe benefit.
- Competitive remuneration and employee benefit programme.
- Central office location.

**Only short-listed candidates will be contacted.**
