

SPEND A SEMESTER IN DENMARK

VELUX Denmark Scholarship Programme 2014

My experience in Denmark helped me to see education in a different light. Gaining skills can be achieved through practical learning here, and is available to anyone who is willing to be open-minded, prepared to think and responds well to being inspired. In an environment with dedicated teachers, a diverse student community and friendly surroundings, I experienced a different way of learning. The possibilities seemed limitless! It was a perspective-changing semester, in so many ways!
