Join PwC

With offices in 157 countries and more than 270,000 people, we are among the leading professional services networks in the world. We help organizations and individuals create the value they're looking for, by delivering quality in assurance, tax and advisory services.

A career in Marketing and Communication, within our Internal Firm Services, will provide you with the opportunity to focus on designing, developing, and implementing communication programmes and events to promote and sell the PwC's brand and services.

Currently we are looking for:

## Junior Communication Specialist

### Main Responsibilities:

- Support internal communications that reflects and supports the organization's strategic vision
- Ensure consistent framing of messages: plan, edit, and produce content for a variety of internal communication channels such as PwC internal newsletter, PwC Intranet etc.
- Work with PwC Brand Asset Library to create diverse print and online visual materials
- Maintain a knowledge base of slide decks, events (calendar), and brand assets for staff and assist with effective use
- Support HR team within recruitment and employer branding initiatives
- Collaborate with functions and business units to effectively engage and inform employees
- Conduct of various research for business needs
- Translation of different communication pieces (EN).

### Requirements:

- University degree in Marketing and Communications, PR, or related disciplines would be considered as an advantage
- Previous experience in the field would be considered as an advantage
- Confidence in basic design programs is an advantage
- Master in Powerpoint
- Excellent writing skills both in Bulgarian and English
- Excellent communication, organisational and interpersonal skills
- Communicative, positive, goal-driven and result-oriented mindset

### We offer you:

- Access to global best practices and professional know-how in an international setting
- A "Coach" and a "Buddy" programmes to help you integrate, develop and perform well.
- Challenging and interesting projects.
- Professional, positive and team-oriented working environment.
- Opportunity to communicate and collaborate with teams in other PwC offices
- Comprehensive employee benefit program.
- Central office location.
