

## COOPERATION BETWEEN TOOLANI AND ESN

Dear ESN section team!

toolani and ESN International are happy to announce a 2 year cooperation that will bring international communication to all ESN card holders during their ESN experience! Additionally your section will benefit from a financial bonus for each member who makes a toolani top-up.

toolani is an international telecommunication service provider and offers cheap international calls. The service works with any phone and there is no need for a contract, no monthly fee and no minimum turnover.

- **ESN benefit: 5 Euro free calling credit**

ESN card holders receive a free € 5 bonus for international calls with toolani. Every ESN card that is handed out during the next two years can be used to collect the bonus.

- **Get the ESN bonus**

When registering at [www.toolani.com/esn](http://www.toolani.com/esn) members simply enter their own ESN card number in the field 'promotion code'. The € 5 bonus will immediately be credited to the account.

- **Start calling with toolani**

Once registered the ESN member enters the international phone number he wants to call. The user receives a domestic toolani number for each foreign number entered. Start calling right away by dialling the newly assigned national toolani number. It's just as easy as a local call.

**Now: Free trial for ESN sections**

In order to allow your ESN section to test the toolani services before the ESN student cards are issued, we have generated a bonus code for your section.

Promotion Code: 66694B4B70

Should you have any questions about toolani and its services please feel free to contact Mr. Wolfgang Hitsch directly at [wolfgang.hitsch@toolani.com](mailto:wolfgang.hitsch@toolani.com) or call us: +43 1 5440624-310

We hope that ESN card holders enjoy the benefit of international communication with toolani and wish you a successful study year 2010/2011!

With best regards
