

Announcement: Workshop Series

“Scientific Writing in Economics and Business Administration”

Anhalt University of Applied Sciences, Bernburg, Germany

St.-Kliment-Ohridski-Universität Sofia, Bulgaria

American University of Tirana, Albania

Ss. Cyril and Methodius University Skopje, Macedonia

For Master students in Business Administration and Economics we are offering an outstanding opportunity to prepare a scientific text and to publish it.

Accepted participants will take part in a series of 4 workshops and an international conference. Travel and accommodation costs are covered.

Scientific Writing in Economics and Business Administration

General Information

- Students from the respective faculties of the four participating universities are invited to apply for taking part in a series of workshops and an international conference.
- From each university 4 students will be selected.
- From experienced lecturers participants will learn how to systematically write a scientific paper that has the quality for publication in a peer reviewed journal.
- Successful participants will receive a certificate and the option to publish their own paper. The best papers will be published in an international book (German publishing house) or an international journal.

This project is part of the program: “Academic Reconstruction of South Eastern Europe”. It is financed by the German Academic Exchange Service (DAAD) and by the Federal Foreign Office Germany.

Participating universities: Anhalt University of Applied Sciences, Bernburg, Germany/ St.-Kliment-Ohridski-Universität Sofia, Bulgaria/ American University of Tirana, Albania/ Ss. Cyril and Methodius University Skopje, Macedonia.
