

# Shape the future

## Intern – Marketing Department

(METRO Support office)

Ref No IP MD 17

The main goal of our Internship program is to put well prepared young specialists into real-life business environment where they could develop their potential. Now we are looking for a motivated person to join our internship program as part of our Marketing Department. The duration of the internship is 6 months.

### What is to be an intern in our department?

- You will get support by an experienced mentor from your team
- You will be challenged to compare market data and to analyse it afterwards, working closely with other departments
- You will develop business case scenarios
- Of course, you will be a part of our internship program, including special trainings and activities

### Your profile:

- Completed third grade of a bachelor program in the field of Marketing or Economics
- Strong analytical skills and structured approach
- Excellent English
- Self-starting and proactive
- Microsoft Office
- Good communication skills

### We offer you:

- Experience in a real-life business environment
- Putting your knowledge into practice
- Establishing contacts in your future professional field
- Work in an international company
- Chance to start your career at METRO

### Would you like to apply for this position?

Submit your CV in English, recent photo and a motivation letter to [jobs@metro.bg](mailto:jobs@metro.bg) or Sofia 1784, Tzarigradsko chaussee blvd 7-11 km, METRO Cash & Carry Bulgaria, Human Resources Department.

**Please, specify the Ref. No IP MD 17.**

Your application will be treated with confidentiality.

Only shortlisted applicants will be contacted.

**Deadline for applications: 29 May 2015**
