

General Management MBA 1/3-scholarship “Emerging Markets” 2015 Your kick-off to a career in management

On **November 13^h, 2015** the postgraduate master program **General Management MBA** will start for the sixteenth time. This successful MBA program is conducted by the Vienna University of Technology in cooperation with Danube University Krems.

The TU Wien and the Danube University Krems want to support individuals from the so-called “Emerging Markets” in their advancement in careers and is offering a special grant to allow individuals from Eastern and South-eastern European countries to get further academic education, intercultural competence and perfect a foreign language.

Already for the seventh time the Vienna University of Technology and the Danube University Krems will be granting **two scholarships in the amount of one third of the program fee** to Alumni of technical, technical-economical or natural science studies for the General Management MBA Program. Admitted individuals from **Eastern or South-eastern European countries** must hold an academic degree along with a minimum of two years work experience and adequate knowledge of the English and German language.

Persons who are interested in the scholarship may **apply until July 31, 2015**. The **application documents (incl. letter of motivation and copy of certificates)** have to be sent by **e-mail** to gm-mba@tuwien.ac.at. Payment of the tuition fee has to be financed privately.

You will find further information about the General Management MBA Program on our homepage <http://generalmba.eu/>
