Creative thinking?

Solving intellectual challenges?

Working with the best?

If all these things drive your career, then join our

Tax Graduate Recruitment Campaign

The role of a tax advisor today is more than simply filling out forms or memorizing code sections. It's about seizing opportunities to confidently help our clients understand how taxes may influence their strategic decisions and pursue their business objectives.

When you join our Tax team will have the opportunity to work on complex tax clients' issues and approach them from different angles. You will learn to see the big picture and grow into well-rounded professional combining business, finance and legal skills.

Why Career in Tax?

- Cooperate in teams which will help you become a tax expert with solid technical knowledge and wide commercial and industry understanding
- Work directly with clients from various industries, establishing a relationship as a trusted tax specialist and business advisor
- Receive coaching and ongoing support from our tax professionals when working on client's tax matters to develop smarter solutions to their cases
- Get the chance to develop an exciting and rewarding career in a friendly working environment

Who are we looking for?

- Fresh graduates in Law, Accounting or Economics feeling comfortable when interpreting legislative matters from financial and business perspective
- Curious minds, willing to investigate and search for alternative approaches
- Out-of-the-box thinkers with result-oriented attitude
- Strong interpersonal skills, fluent in English and Bulgarian

So where will your passion take you?
