

With offices in 157 countries and more than 270,000 people, PwC is among the leading professional services networks in the world. We help organizations and individuals create the value they're looking for, by delivering quality in assurance, tax and advisory services.

As an **EU Funded Projects Senior Associate**, you will have a key role on international audit assignments in respect of EU funded projects, throughout the world. You can expect to be involved in a variety of interesting and challenging work at different locations worldwide. This role will provide you with an excellent opportunity to develop your personal and technical skills.

Currently we are looking for:

EU Funded Projects Senior Associate

Responsibilities:

- “Ex-post” financial and systems audits of EU funded projects, institutional compliance assessments, including assessment of management and control systems for compliance with financing requirements, expenditure verifications and verification missions; the contracts of the assignments include grants, twinning, service and supply contracts, construction works and procurement contracts under relevant PRAG and Twinning Manuals.
- Being part of an audit team, liaising with both beneficiary and other specialist staff in the practice to provide high quality services;
- Building and maintaining strong relationships with clients;
- Reporting directly to engagement leader;

What we offer:

- Professional experience in an international environment with rapid career progression;
- Interesting career development options and challenging assignments;
- Extensive training and excellent opportunities for professional and career growth globally;
- A professional and team-oriented work environment;
- Great colleagues to work with;

Requirements:

- Bachelor or Master Degree in Finance/Accounting/Economics or related disciplines
- At least 2 years previous audit experience in auditing EU funds
- Proficiency in English, both spoken and written
- Good working knowledge of a second European language (German, Italian, French, Spanish or Portuguese)
- Computer literacy in Microsoft Office
- Proactiveness and ability to prioritize different tasks
- Strong analytical skills
- Excellent communication and interpersonal skills
- Ability to work in a team
- Flexibility to travel extensively abroad – mainly in Europe, Africa and Asia. Valid international passport is required.
