

The Tech Tour Group is looking for interns - Network & Events and Business Development for their office in Sofia, Bulgaria

If you are

- Student in your 2nd, 3rd or 4th year of University
- Situated in Sofia city
- Fluent in English
- Have excellent communication skills
- Entrepreneurial
- Dynamic team player
- and willing to travel

We are

The Tech Tour group is a private company founded in 1998 with headquarters in Brussels and with offices in Geneva and in Sofia.

The group provides a Pan-European network for high-tech entrepreneurship facilitating investment, partnering and innovation. We believe that entrepreneurship is the main force of innovation, economic growth and sustainability throughout Europe. We help high-tech entrepreneurs and spin-offs achieve their strategic goals by connecting them to investors, corporations, researchers, advisors and of course other specialized entrepreneurs, in person at one of the many events and online through our web community.

Goals & Activities

- Be the reference community for Europe's most dynamic technology innovators
- Provide the best networking and coaching events across Europe matching and preparing innovative companies to team-up with investors and with technology partners
- Work with governmental, corporate, research and advisory partners across Europe to achieve these goals

Strengths

- A team of dynamic and international staff
- A network and database of 20,000 high-tech entrepreneurs all across Europe
- Europe's most active investors actively take part in the network
- A know-how of international networks, investment and innovative entrepreneurship

We need you for

- Identifying, contacting and liaising with high-tech entrepreneurs from across Europe
- Working with incubators, high-tech clusters, investment funds and industry associations to nominate high-tech companies
- Supporting entrepreneurs to complete their online profile and presentation & guiding them onsite in their presentations and one-on-one meetings
- Assisting the Event organizers in the preparation, onsite at the events across Europe and with follow-up

We can offer you

- Paid internship of four to six months
- Flexible working time – 30 hours per week
- Be positioned at Sofia Tech Park in a vibrant and entrepreneurial environment
- Have access to information that can help you to develop your student's project in the field of: ICT and new media sector, life sciences, healthcare, or cleantech and energy sectors with events and contacts throughout Europe
