

It's your future. Ready for the next step?

Deloitte Touche Tohmatsu is an organization of member firms devoted to excellence in providing professional services and advice. Our practice in Bulgaria was established in 1992 and ever since we have been building a firm that provides our clients a unique combination of international experience and local proficiency and knowledge.

We believe that there is no better starting point for a rewarding career than our internship programs. They have been specially developed for students willing to combine their university studies with a day-to-day experience in a real working environment.

Internship Opportunities for Top Talents

Deloitte in Bulgaria runs numerous Internship programs in the following areas:

Audit & Advisory

In audit you will gain one of the best experiences through practical, hands-on experience, intensive training and e-learning opportunities and potential to obtain an international professional qualification. During your internship in audit, you will support the successful delivery of high-quality financial audit engagements to a portfolio of reputable clients, most of them market leaders in their industry. This will give you an excellent understanding of how business works and will help you build the necessary set of skills for a successful professional career.

Enterprise Risk Services

Our Enterprise Risk Services practice provides a broad range of services that allow clients to better measure, manage and control risk to enhance the reliability of systems and processes throughout the enterprise, which involves assurance & compliance, ERP services, information technology, information services and internal audit.

Tax Advisory

If you are looking to develop the perfect mix of business, consulting, finance and legal skills, there are few better places to start your career than with one of the most highly recognized tax teams in our country. Our consultative approach to tax work adds really value to our clients' business. As a result of your work with clients across a wide range of industries, you will gain broad and in-depth knowledge of business through varied nature of work.

Accounting and Payroll Services

In Accounting and Payroll Services you will gain one of the best experiences through practical, hands-on experience, intensive training and e-learning opportunities. During your internship in Accounting and Payroll Services you will learn how to handle all day-to-day bookkeeping activities for our international clients. This will give you an excellent understanding of how business works and will help you build the necessary set of skills for a successful professional career.

Duration: Internship programs usually last up to 8 months starting in September 2014. Upon successful completion, you can either extend your internship or join as a full-time employee depending on your performance on the job and the progress of your university graduation.
