

Working at Cargill is an opportunity to thrive – a place to develop your career to the fullest while engaging in meaningful work that makes a positive impact around the globe. You will be proud to work for a company with a strong history of ethics and a purpose of nourishing people. We offer a diverse, supportive environment where you will grow personally and professionally as you learn from some of the most talented people in your field. We combine 153 years of experience with new technologies and insights to serve as a trusted partner for food, agriculture, financial and industrial customers.

In 2014 we established the headquarters for our European shared business services center in Bulgaria. Our center – Cargill Business Services Sofia, who is rapidly growing, won the award for Shared Service Centre of the Year for both 2017 and 2018.
