Do you want to have an impact on the reality that surrounds us? For us "purpose-driven organization" is not only a cliché. Check our purpose on our webpage. Is it your purpose, too? You better keep reading then, as we are looking for an experienced professional to join our Tax Accounting practice on the position of **Senior Accountant**.

With offices in 157 countries and more than 270,000 people, we are among the leading professional services networks in the world. We help organizations and individuals create the value they're looking for, by delivering quality in assurance, tax and advisory services.

A career in our Tax Accounting practice, within Tax services, will provide you with the opportunity to help our clients meet and manage their tax obligations across unique but ever changing tax specialties. Our team provides our clients with customized tax solutions and tax accounting advice based on their niche and business need.

Currently we are looking for:

Senior Accountant

Your role responsibilities:

- Maintain accounting books and records for clients in accordance with the requirements set out by the Bulgarian Accounting Act, International Financial Reporting Standards, National Accounting Standards and clients' accounting policies;
- Participate actively in the Corporate Income Tax and Value Added Tax compliance processes for clients;
- Participate actively in the implementation of ERP, BI and CRM systems;
- Identify process improvement opportunities based on the use of technologies;
- Ensure the clients have met all other compliance obligations they may have;
- Identify tax planning opportunities;
- Communicate with the tax and other government authorities;

What we offer:

- Access to global best practices and professional know-how in an international setting;
- Company training and opportunities for career growth;
- Chance to work as a part of a positive and experienced team;
- Central office location;
- Opportunity to communicate and collaborate with teams in other PwC offices;
- Competitive remuneration and employee benefit programme;

What we are looking for:

- University degree in Accounting, Finance or Economics;
- At least 3 years of proven experience in accounting; Good knowledge of National Accounting Standards, International Financial Reporting Standards and tax regulations;
- Previous experience in implementation, processes set-up and work with ERP, BI and CRM systems;
- Proficiency in English;
- Excellent skills in Excel;
- Excellent communication and interpersonal skills;
- Previous experience in working in an accounting firm is considered as an advantage.
