Master Program / Business Administration – Human Resources Development in English

1. Program objectives

The goal of the Master's programme Business administration – Human Resources Development in English is to prepare highly skilled specialists able to use advanced methods and tools for human resources management and development in organizations. These include micro and macro-diagnostics of the environment, industry analysis, functional analysis of the organization, strategies for organization and human resources development, business strategies, resource and functional strategies, international strategies etc. After graduation the students should be able to be aware and be able to perform different functions related to human resources management in different economic sectors, including the specialized consulting firms in areas of strategic planning, organizational development, recruitment of personnel, trainings and so on. The program targets two main groups of people:

- A) Specialists from the industry with economic/management education, which career plans include HR career and high-ranked management positions, who want to serve as advisors to the government or serve as public officials in government's strategic planning units.
- B) Entrepreneurs with education in the field of economics and management, who are aware of the necessity of sound theoretical equipment and continuous education, training, and self-actualization.

The program is offered in English language to target the growing ex-pat community in Bulgaria, to attract highly qualified bachelors from abroad as well Bulgarians who will have English-speaking careers. The programme is an excellent multicultural environment for learning and leadership development.

2. Programme Scope and application (knowledge and skills necessary for successful professional development; theoretical preparation and specialized trainings, etc.)

Application to the program is through an interview. The applicants with a bachelor degree from a non-Bulgarian university must apply first for recognition of their higher education according to the Law on Higher Education and regulations of Sofia University. The procedure¹ is lengthy and complex and we advise applicants to apply as early as four months prior to the start of the program. There is a minimum threshold of GPA of 4.0 and should have as a minimum 18 months of working (or entrepreneurial) experience. If there are available places in the program, as an exception we could enroll students with less than 18 months experience provided they have GPA above 5. Bachelors with 3 year of study and 180 ECTS or higher but less than 240 in areas of management, public administration, economics other sciences related to "administration and management", who would like to continue their education with a master of business administration, should enroll in the 4-semester program. According to the Bulgarian legislation, that category of students should obtain 120 ECTS within two years.

Admission to the program is from the winter semester. The duration of study is 1 year and includes six obligatory, four electives and optional courses in various trendy domains as digitalization, marketing, environmental management, ERP, CRM, etc. and writing of a Master thesis.

The program attracts many guest lecturers and visits to companies from different economic sectors and managerial layers. The Master of Business Administration – Human Resources Development program follows the classical MBA design, where the education relies on the rich and diversified experience of the students. Classes are small and include students from different countries and cultures and professional background – state and private
