

February 2021

AlESEC in Sofia University and The Career Center in FEBA present a portfolio of international internships selected for the students of the Faculty of Economics. The campaign, launched in November 2020, aims to support the professional development of students and alumni of the faculty and is part of a long-standing partnership between the two institutions.

AIESEC is a global platform for young people to develop their leadership potential through international internships and volunteer opportunities. Founded in 1948, AIESEC is a non-governmental, and not-for-profit organization entirely run by youth for youth.

Community Project Manager

UCB

Brussels, Belgium

Marketing, Communication & Journalism

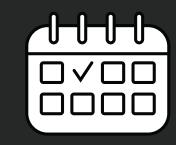

UCB – Inspired by patients. Driven by science. At UCB, we put our heart, soul and skills into making a difference for people living with severe diseases. We look to transform patients' lives by pushing the boundaries of what is possible. With us, our talents makes the most of who they are, unlocking innovation and setting new standards for patients. Everything we do starts with a simple question: "How will this make a difference to the lives of people living with severe diseases?" And to find the answers, we connect globally with patients and their families living with the physical and social burdens of severe disease. Wherever in the world we are based, and no matter what role we play in the company, we believe every one of us can have an impact across our organization.

Main responsibilities:

The APEX Community Engagement PM role's objective is to create, innovate and lead APEX' knowledge management initiatives. To gather critical insights across the Global community and create a desired user experience. In addition, the candidate will be asked to create monthly newsletters, engage with community members and embed knowledge sharing as a core behaviour. You will also support the roll out the Global assessment of Access, Pricing colleagues based on the APEX competency model and work on training modules from Global to local colleagues. The candidate's focus will be primarily project management, communication and user experience design. The impact is to create a seamless experience for Access colleague to engage, connect and work together more effectively as a community.
