

## Forensic Services Consultant

### THE ROLE

Our **Forensic practice** helps clients protect business opportunities in today's evolving threat landscape. We work together with clients to prevent, investigate and remediate the issues arising from regulatory and commercial minefields that can damage their brands and bottom line if left unchecked. We advise clients on how to become "threat-smart" and develop dynamic, adaptive strategies before a crisis occurs.

As a Forensic Services Consultant you will be participating in:

- Integrity due diligences (background checks);
- Compliance reviews, including FCPA related work;
- Fraud risk assessments, including identification and analysis of control vulnerabilities aimed at managing and mitigating fraud risks;
- Forensic investigations of suspected wrongdoings at business entities.

### SUCCESSFUL CANDIDATE'S PROFILE

- **Recent graduate** (Bachelor or Master Degree) in Finance/Accounting/Economics/Mathematics or related disciplines;
- Ability to work in a team environment and under tight deadlines;
- Proficiency in **English and Bulgarian**;
- Computer literacy (Word, Excel, PowerPoint, Internet).

### OUR COMMITMENT

- You will be part of a **growing regional team**;
- Your work will be **interesting and challenging**;
- You will have a 'Coach' and a 'Buddy' to help you integrate, develop and perform;
- We will support your **professional and personal development** and on-the-job training.

### IT'S THE OPPORTUNITY OF A LIFETIME TAKE IT
