Join PwC

With offices in 157 countries and more than 270,000 people, we are among the leading professional services networks in the world. We help organisations and individuals create the value they're looking for, by delivering quality in assurance, tax and advisory services. Currently we are looking for motivated person to join us as an **Intern in our Audit department**.

A career in our PwC Assurance practice will provide the opportunity to support our engagement teams and clients by providing support on accounting, financial reporting, and strategic business issues.

Currently we are looking for:

Intern in Audit Department

The role:

As an Intern in our Audit department, you will help ensure a complete and relevant exchange of information among our consultants and in turn with engagement teams and clients, support engagement teams in resolving complex issues, and supporting clients and their subsidiaries in evaluating the potential impact of accounting and reporting standard setting initiatives. **Your main role responsibilities:**

- Under supervision and with the support of experienced auditors the role will take part in:
- Audits under the International Standards on Auditing;
- Organising and attending client meetings;
- Performing defined tasks in audit projects;
- Advisory and consulting engagements.

What we offer:

- You will have a 'Coach' and a 'Buddy' to help you integrate, develop and perform;
- You will undertake a blended learning programme involving: professional qualifications (Statutory Accounting, audit courses, ACCA) and gaining knowledge of the industry and market.
- Access to global best practices and professional know-how in an international setting
- Company training and opportunities for career growth
- Challenging and interesting projects
- Chance to work as a part of a positive and experienced team
- Central office location
- Comprehensive remuneration and employee benefit programme;

What we are looking for:

- Last-year student, or recent graduate in Finance/Accounting/Economics or related disciplines;
- Excellent command of English;
- Interest in financial reporting;
- Computer literacy in Microsoft Office;
- Ability to work in a team;
- Flexibility to travel;
- Proactiveness and ability to prioritize different tasks;
- Strong analytical skills;
- Good communication and interpersonal skills.
