Request for assistance

Dear Professor Anastas Gerdjиков,

All of us at Zaporizhzhia national university are grateful for the support of the European educational community. The Rector's office, employees and students continue working, struggling every day for mutual European values such as freedom, equality and justice. Both with you we condemn unequivocally Russia's military aggression against independent Ukraine and our common peaceful future.

Zaporizhzhia national university's staff and students in this difficult period struggle to uphold the sovereignty and integrity of our country in the Armed Forces of Ukraine and the Territorial Defense Forces, provide humanitarian assistance for the affected areas of our Motherland, soldiers fighting at the frontline, internally displaced persons, children and families impacted by the war in Ukraine. Nevertheless, the educational process has been restarted at the University, as we believe that our students even in this difficult time must obtain qualified educational services.

These days our humanitarian needs are immense and your donations will help provide soldiers, children and their families with immediate aid, like baby food, hygiene kits, medical supplies, and canned food. You can also donate for the financial support of our University. All payment details are enclosed below. We couldn't do our work and resist without your support.

Together we can protect Ukraine.
Glory to Ukraine!

Best regards,
Rector
