

**Savonia University of Applied Sciences** is again offering international **courses in English** during the summer months. We are working in the network of four Universities of Applied Sciences in Eastern Finland and together we offer quite a wide range of study modules. The joint venture is called **EFIST – Eastern Finland International Summer Term**.

We offer the summer term courses **free of charge** to the students and staff members from our partner institution. For students from other institutions and other participants one ECTS credit is **50 €** or, alternatively the charge for the whole summer is **500 €**. The costs of travelling, accommodation, meals etc. all the participants will cover themselves.

More information about the modules, their contents and our summer term in general can be found from the website [www.efist.org](http://www.efist.org). The registration for the courses will also be done through the website. The registration deadlines for registrations are: **March 31, 2009** for the courses organized in May and June **and May 15, 2009** for the courses organized in July and August, 2009.

If you have questions concerning the course contents, please contact International Coordinator [tuula.linnas@savonia.fi](mailto:tuula.linnas@savonia.fi). If you have any questions concerning the practical arrangements (travelling, accommodation, etc.) please contact International Secretary [kersti.vahur@savonia.fi](mailto:kersti.vahur@savonia.fi).
