PhD: Economics (Political Economy)

Supervisor: Ass. Prof. Dr. Mariella Nenova-Amar

Thesis Title: Interaction between fiscal and monetary policy under floating exchange rate and Currency Board Arrangements

2009 – 2011 | Sofia University St Kliment Ohridski
MSc: Statistics and Financial Econometrics
Supervisor: Ass. Prof. Dr. Mariella Nenova-Amar
Thesis Title: Macroeconomic forecasting model for Bulgaria

2009 – 2010 | University of Veliko Turnovo St Cyril and St Methodius in cooperation with
Economic Research Institute at Bulgarian Academy of Sciences
MSc: International Economic Relations. International Economics
Supervisor: Prof. Dr. Tatiana Hubenova-Delisivkova
Thesis Title: Short-run forecasting model for Bulgarian economy

2005 – 2009 | Plovdiv University Paisii Hilendarski
BSc: Macroeconomics

2007 – 2009 | Plovdiv University Paisii Hilendarski
BSc: Business Administration

PROFESSIONAL DEVELOPMENT

2014 | International Monetary Fund, Joint Vienna Institute, Austria
Course: Macroeconomic Diagnostics

2014 | Czech National Bank, Czechia
Course: EU and International Organisations: Current Challenges from the Perspective of the
Central Bank

2013 | University of National and World Economy, Bulgaria
Course: Statistical Methods and Econometric Models in Research Activity

2010 | European Court of Auditors, Luxembourg
Course: Measure of progress, development and well-being

PROJECTS

2021 | Sofia University St. Kliment Ohridski, Scientific Research Fund
Project: Research on relations between the size of the informal economy and indicators of
economic development

2021 | Sofia University St. Kliment Ohridski, Scientific Research Fund
Project: Application of the monetary method for estimating the size of the informal economy
in Bulgaria

2020-2022 | Economic Research Institute, Bulgarian Academy of Sciences
Project: The Euro Area and Economic Perspectives for Bulgaria

2020-2021 г. | Bulgarian Industrial Capital Association
Project: Improving Access to Employment and the Quality of Jobs by Reducing and
Preventing Undeclared Employment

2019-2020 г. | Korea Development Institute and Economic Research Institute at Bulgarian Academy of Sciences

Project: Developing an Early Warning Framework for Detection of Crisis in Economic Sectors in Bulgaria

2018-2020 | Economic Research Institute, Bulgarian Academy of Sciences

Project: Economic Growth and Convergence in the European Union

2018 | Economic Research Institute, Bulgarian Academy of Sciences

Project: Economic Aspects of Demographic and Migration Changes in the European Union and Bulgaria

2017-2018 | Economic Research Institute, Bulgarian Academy of Sciences

Project: Preparation of National Energy Strategy, Action IA “Electricity consumption forecasts by 2040” and Action III “Exploring the development trends of the energy markets in Europe and the possibilities for Bulgaria to continue to be an exporter of electricity”

2017 | Plovdiv University Paisii Hilendarski

Project: Challenges and Barriers to Deepening the Integration Processes for new EU Member States /the case of Bulgaria/

2014 | Plovdiv University Paisii Hilendarski

Project: Plovdiv Electronic University (PeU): National Example for Quality E-learning in Higher Education

2010-2013 | Bulgarian Industrial Association

Project: Development of Workforce Competence Assessment System by Sectors and Regions

2011 | Bulgarian Chamber of Commerce and Industry in cooperation with the International Labour Organisation

Project: The Employment Gap and Necessary Short and Long Term Policy Response – the Bulgarian Employers’ View

2011 | Plovdiv University Paisii Hilendarski

Project: Software for Developing Business Models

2007-2010 | Ministry of Education, Youth and Science

Project: Market Assessment of Public and Private Investment in Human Capital, formed in the Stages of Higher Education

AWARDS

2014 | Fifth Lindau Meeting on Economic Sciences with 18 Nobel Laureates in Economic Sciences, Participant, Germany
