Registration for the management system of student information (SUSI) will be needed.

You can get a **user name** here: <https://cas.uni-sofia.bg/> after providing your **student ID number (Факултетен номер)** and **personal ID number (ЕГН)**.

The initial password will be your personal ID number. You **SHOULD** change it after logging in for the first time into **SUSI**.

You can enter the system from the following link:

<https://susi.uni-sofia.bg/ISSU/forms/Login.aspx>

Do not forget:

To check in SUSI your exam scores after each exam session!

To track your student record there.

To enroll for electives in the fourth and fifth year.

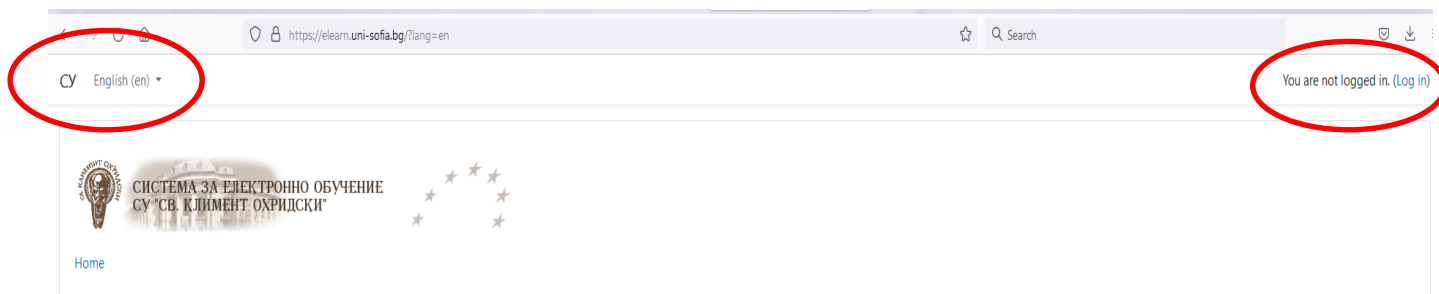

Activate your profile in Moodle!

The user name and password for SUSI will be valid also for the electronic education system of Sofia University (Moodle):

<https://elearn.uni-sofia.bg/?lang=en>

ATTENTION!!! *The e-mail address, which you use for the registration in Moodle, should be the one, which you use most regularly. You will receive there messages from the teachers of the courses for which you are automatically enrolled in the system at the beginning of each semester.*

If distant education is enforced because of the COVID-19 pandemic, you will communicate with your teachers in Moodle or enter virtual classrooms:

Activate your university e-mail address

When you are enrolled as a student at Sofia University, a personal e-mail account is created for you.

Please **activate** this e-mail address, so that we may contact you easily.

The user name from SUSI will be valid!

You can check your university e-mail at the following site:
<https://email.uni-sofia.bg/>, for which there is a shortcut on the web site of FCP.

Your e-mail address will have the format: *user-name-from-SUSI@uni-sofia.bg*

IMPORTANT: The access to all online resources of Sofia University – the information system SUSI, the system for electronic education Moodle, the e-mail, the internal web site of Sofia University is provided by one and the same username/password set.

How to become a library user?

Electronic library cards ISIC SU are valid at the University Library. More information how to obtain an electronic card can be found at the Card center <https://sustudents.bg/картов-център/>

Newly admitted students to Sofia University “St. Kliment Ohridski” who do not have ISIC SU cards are registered at the beginning of the academic year. In order to obtain library user cards students need to present a valid student book and a colour photograph.

Registration of library users takes place in the Central University Library, Monday to Friday, from 8.00 am to 8.00 pm.

The price of the user’s cards for students and faculty of Sofia University “St. Kliment Ohridski” is 5 BGN. The library user’s card is valid for one calendar year, from the date of registration, and provides access to the Central University Library and all **28 branch libraries**.

Sofia University students can borrow resources for home use only from [the university branch libraries](#). External users cannot borrow library materials for home use.

Students from other universities can register and receive a library user card at Sofia University Library after presenting a student ID and a photograph. The price of the library user cards for external users is 15 BGN. The price for a one-day user’s card is 3 BGN.

More information on how to become a library user can be found in the **Library Rules of Service**.

The Students' council of FCP

If you are socially involved, you may become members of the Students' Council!

The major priorities of this council are:

1. To defend the common interests of students of all levels
2. To provide efficient relations between teachers, students and the Faculty management
3. To express opinions and to make suggestions related to the education at FCP
4. To organize scientific or other specialized events for students
5. To establish national and international educational, cultural and post-graduate relationships

If you have questions, suggestions or problems or if you wish to become a Students' council member, do not hesitate to contact the current members:

- Office 110 – Faculty of Chemistry and Pharmacy
- Phone: +359-2-8161-319
- E-mail: fss.fhf@students.uni-sofia.bg

Important for new students!

In the first week of the winter semester, during the General and Inorganic Chemistry 1 classes, you will have **an entry-level test in Chemistry**.

The students who do not cover the minimal score are strongly advised to sign up for the additional **Optional course:**

- Introduction to University Chemistry

Applications are submitted at the Department of Students Affairs (office 103).

This optional course will help you close the gaps and catch up!

Important for new students!

During the English class, you will have an entry-level test in English.

- **for the Pharmacy major – 05.10.2022, 11:15 h, Hall 402**

Depending on the outcome, the level at which the language will be taught will be determined.

Stay in contact!

- Please set up as soon as possible a **group e-mail address** for the entire major and send it to Mrs. Doudeva (dkld@chem.uni-sofia.bg). She will disseminate it to the teachers, so that they can contact all of you at once. Do not forget to check this e-mail regularly!

Good Luck!
